Portrait of RCHS

1976 *1977*

We've only just begun to live . . . memories and promises, a kiss for luck and we're on our way.

We've only just begun. Before the rising sun, we fly. So many roads to choose. We start our walking and learn to run . . . And yet, we've just begun.

Sharing horizons that are new to us. Watching the signs along the way. Talking it over, all of us. Working together day to day . . . Together.

And when the evening comes, we smile. So much of life ahead. We'll find a place where there's room to grow . . . And yes, we've just begun.

Chris,
Ever since I have known
to you in study hall, I have
thought you were the sweetest
cutest guy! You & Cindy make
the best couple! I also feel the
same way about Cindy. Take
care of yourself and be
careful in all that you
do!
Love,
Cindy

PORTRAIT OF RCHS

1976 *1977*

The 1976-77 Annual Staff has endeavored to paint a pictorial and word portrait of this school year at Roane County High School.

We have attempted to portray all the aspects of the total school, the academic and vocational aspect as well as the extra-curricular activities.

Our intention was to portray within these pages some of our most memorable moments, our activities, our accomplishments, and our friendships. These are the things we will cherish most when we remember our moments together at dear Roane County High.

ALMA MATER

Just across the flowing river,
Stands Roane County High;
She's our Alma Mater ever
As the years go by.
She's a fair one; she's a true one,
She's our do or die.
Hail to Thee, Our Alma Mater,
Dear Roane County High.

Cherished by her sons and daughters,
Memories sweet shall throng.
Here's to you our Alma Mater,
As we sing this song.
Onward ever be our watchword,
Conquer and prevail.
Hail to Thee, Our Alma Mater,
Roane County High, all hail.

APPRECIATION

Mrs. Anglin

Mrs. Rymer

Missing from the scene this year are five teachers who are now retired. They all had long full careers—Mrs. Anglin's was all at RCHS. She and Mrs. Eblen have handled our commercial courses for a long time, and Mrs. Rymer worked with home economics and Future Homemakers for many years. Mrs. Dunaway served as RCHS's first full-time librarian. "Colonel" Trapp has had a varied career in teaching, in the military, and in school administration, concluding by teaching history.

OUR HISTORY

As our nation's Bicentennial celebration comes to an end, let us remember that our own history had its beginnings long ago and continues far into the future. Roane County High School today has grown from the earliest school provided for boys and girls of the frontier in 1806, only thirty years after our America became a nation. So now in our 171st year, having been called Roane County High School for the last seventy-four of that time, we look ahead and hope for a longer illustrious period to be added to our history.

STUDENT EXECUTIVE COUNCIL

A leader is one who does not understand the limitations of his being human. A leader is one who loves everyone he knows and believes in everyone he loves. A leader has special friends—a challenge in itself.

A leader is one that hides his own aspirations to fulfill the dreams of another. A leader is one that lives what he believes, lives because he believes, lives that others may live and become believers.

POEM TO THE SENIORS

Poem to the Seniors

On winged feet the four years pass
And now we honor our Senior class.
Beyond these walls, this town, this state
A whole new world now lies in wait.
You've much to learn, we're often told
Wisdom to gain before you're old
But friends–before you turn and go
Your separate ways, as well we know,
Enjoy this place, these hours, this school
In memory they'll return to you.

POEM TO JUNIORS

Climbing Together
together we climb
the mountain of life
waterfalls of laughter
fill our hearts,
streams of hope
flow through our souls,
learning
floods our minds,
raindrops of tears often
fill our eyes, but
showers of courage fall
bringing sunshine after the storm,
waves of time leave
traces of memories
on the shores of our souls,
into the ocean of experience
we grope for answers
this is the Spirit of Youth . . .
forever to shine.

POEM TO THE SOPHOMORES

We must live with ourselves, and so

We must be fit for ourselves to know;

We want to be able, as days go by,

Always to look ourselves in the eye.

We don't want to stand in the setting sun

and hate ourselves for the things we've done.

We want to stand with our heads erect,

We want to deserve our self-respect.

POEM TO THE FRESHMEN

Be all that you can be

Use what God gave you

Trust in the future

Try, and keep on trying

Endure what must be endured

Remember these years of pleasure

Fear only fear itself

Live life to it's fullest

Inspire those around you

Envy no man

Success is a job well done

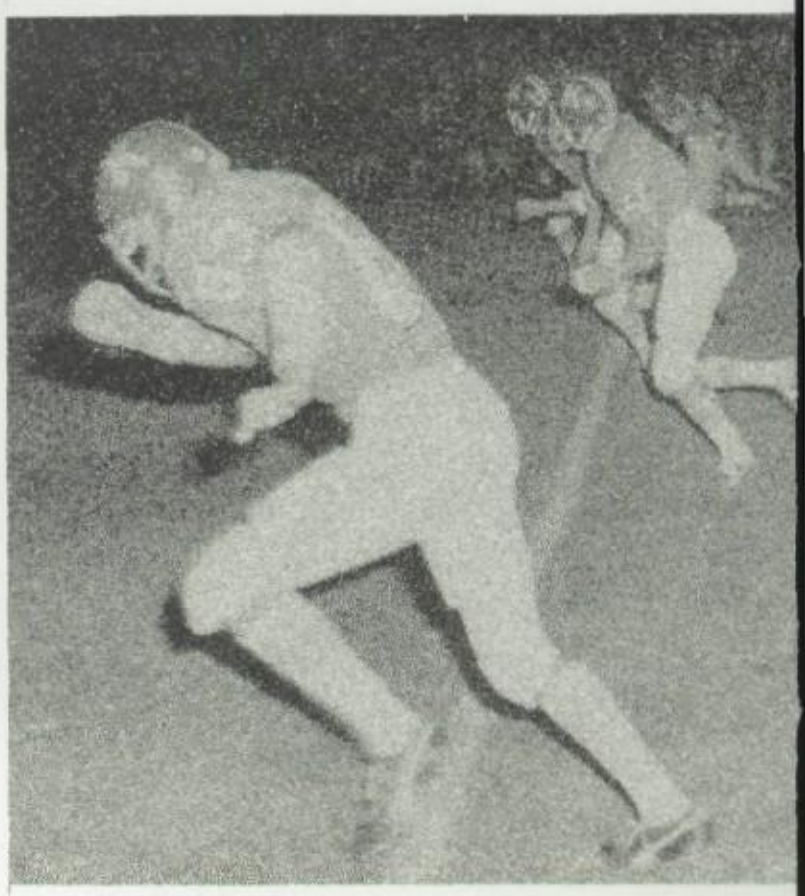
1976 THE SPIRIT

It's all very well to have courage and skill
And it's fine to be counted a star,
But the single deed with its touch of thrill
Doesn't tell the man you are;
For there's no lone hand in the game we play,
We must work to a bigger scheme,
And the thing that counts in the world today,
Is, How do you pull with the team?
They may sound your praise and call you great,
They may single you out for fame,
But you must work with your running mate
Or you'll never win the game;



HIGH SCHOOL OF COMPETITION

Oh, never the work of life is done
By the man with a selfish dream
For the battle is lost or the battle is won
By the spirit of the team.
You may think it fine to be praised for skill,
But a greater thing to do
Is to set your mind and set your will
On the goal that's just in view;
It's helping your fellowman to score
When his chances hopeless seem;
It's forgetting self till the game is o'er
And fighting for the team.

SERIOUS THOUGHTS

This above all: to thine own self be true,
And it must follow, as the night the day,
Thou canst not then be false to any man.
—Shakespeare

To be popular yourself, you must first learn to like other people. There is must no other way.
—Ettinger

Hope ever urges us on, and tells us tomorrow will be better.
—Albius Tibullus

Love is the master key that opens the gate of happiness.
—*Oliver Wendell Holmes*

To be trusted is a greater compliment than to be loved.
—George MacDonald

The only way to speak the truth is lovingly.
—Henry David Thoreau

Happiness follows simplicity.
—Irish Proverb

America is a tune; it must be sung together.
—Gerald Stanley Lee

Formula for living—keep your chin up and your knees down.
—Author Unknown

A loving heart is the truest wisdom.
—Charles Dickens

Nature has come perfections to show that she is the image of God, and some defects to show that she is only His image.
—Blaise Paxal

It is cynicism and fear that freeze life; it is faith that thaws it out, releases it, sets it free.
—Harry Emerson Fosdick

Mr. Arnold taught Mr. Bell in ???? and Mr. Bell taught Miss Tilley in ????, so we now have a very special THREE GENERATION FACULTY in 1977!!

THE WINTER THAT WAS

Every school year is unusual and unique. Every year has its own "standouts." 1976-77 will long be remembered. Weather experts—both home-styled and our United States Government—tell us that it is the "worst winter" in our nation's 200 year history—a good start for America's next 100 years. Plenteous snow, extreme cold, "the energy crisis" kept us out of school twenty days—the most ever missed in the history of RCHS.

But we can still sing "Walking in the Winter Wonderland" and "Frosty the Snowman." We can remember "Stopping by the Woods on a Snowy Evening" and Whittier's poem "Snowbound" in English III. So Let's end this year with a quotation from English IV—

". . . . . O Wind,
If Winter comes, can Spring be far behind?"

Chris
Had some
good times
this year at Lunch
Hope we'll have
Lots a few more
Curtis

Chris,
Every since I've known you
we've been good friends. I think
Cindy and you make a good
couple. She's so sweet! Every
time I think about you
I just think you are
"UNIVERSAL" person. You
can do anything.
Love ya,
Lisa

School bells ring a closing note–
Our books for one more time we tote.
We've reached the end of our school days–
And now we'll go our separate ways.

Remember all those times we had?
Some were good and others bad . . .
But, looking back, we'll always smile
And know that it was all worthwhile.

Chris

(Ho Ho)

Chris,
it's been interesting just
like last year. We only
had Dr. Ed. and Study Hall
together, but we had some
fun in those classes. Good
luck always from the bottom
of my heart.

Love always
Margaret

Chris,
It's really
nice knowing
you this year
we really had some
fun in Study Hall 2nd
period. You're
and nice to be forgotten.
Hope to see you next year
Cindy: summer. I hope you have a fun
and good luck with
stuff & trouble years to come
Take care. Love you
always
